“Part 2: Financial Proposal”
- 4.5 Complete proposal must be delivered at the Submission address mentioned in the document on or before the time and date stated in the document. Any proposal

received after the closing time for submission of the proposals shall be returned / rejected unopened.

- 4.6 The proposal should be valid for a period of 90 days from the date of its opening of Technical Bids.

5. PROPOSAL EVALUATION

5.1 Since the proposed work is a work of art, it is recognized that it cannot be evaluated based on a single criteria or a set of quantifiable criteria. It is also important to note that in order to obtain a unique work of art which is distinct from any other similar work existing. The department has decided to adapt the process of Quality and Cost Based Selection (QCBS) , thereby providing maximum freedom to bidders to apply their creative talents for the proposed show, within the cost budget provided by the department.. A three stage procedure will be adopted in evaluating the proposal to assure a minimum score on technology, highest score in the artistic realization and financially, the proposal should comply with the general practices including the primary condition that it is within the budgeted value. The principles used for the evaluation will be as follows:

- (1) **Pre Qualification Evaluation-** firm who have had similar experience in mounting the (3) three permanent Sound and Light shows at any Heritage monuments/ any back drop in India AND mounting and successfully commissioning the permanent Sound and Light show at any Heritage monument/ any back drop in India during last Five years at least with a minimum project cost of Rs. 2.50 Crores will be qualified.
- (2) The time taken to complete such project will also be considered, since time is the essence of this proposed project.
- (3) The firm should have a minimum annual turnover of Rs. 500 Lakhs

Technical Evaluation - Firm securing minimum qualifying marks mentioned in Section – 5.1 will only be eligible for consideration of award of the contract.

(ii) Artistic Evaluation – This project is offered to the public and its commercial success and viability will be based primarily on its show value. It is impossible to equalize two different artistic productions by assigning them two different weights, as is done for equalizing technical proposals. Therefore it is proposed to follow the procedure of ranking the proposal based on subjective assessment by a set of professionals, with particular attention to creativity, innovativeness and blended use of technology components.

(iii) Financial Evaluation. The financial evaluation would be used as the final filter to evaluate the proposals which satisfy the minimum score in technical evaluation and which are ranked as per the artistic evaluation. No proposal will be accepted unless they are within the budgetary estimate (and thereby in compliance with the ROI calculations and commercial viability assessments of the project by the department), and also they do not contain any commercial clause that will not be acceptable to the department. The department will negotiate with the bidders in sequence of their ranking, as set out in clause 5.1 (ii)

Technical & Artistic Evaluation

5.2 Under this scheme , it is proposed to pre-qualify only those companies that are assessed in technology aspects with a score of above **65%** in technical evaluation

The Evaluation Committee appointed by the department shall carry out its evaluation applying the evaluation criteria specified in the bid document.

Evaluation of the application would be done as per the documents submitted.

The bidders who satisfy the pre-qualification criteria will be invited to make a presentation on the technology Package. Details related to technology package from this presentation will also be added to the technology assessment summary already compiled from the documents submitted with the tender to arrive at a total technical score on a scale of 1 to 100.

5.3 The presentation will also cover the artistic components in detail. The bidder is expected to provide samples / details to enable the committee to assess the creativity of its proposed show, the innovativeness of the show, as compared to other similar shows and also explain the details of how the various technology components are blended to deliver high artistic value.

Financial Evaluation

5.4 After the evaluation of technical and artistic proposal is completed , the department will rank all the bidders who score **65%** and above on the technology package, based on their artistic score, the bidder with higher score on the artistic package will be ranked (1) and the bidder with the second highest score will be ranked (2) and so on.

5.5 The department shall notify the bidder ranked (1) and invite them for opening of their financial proposal and negotiation. If the financial proposal exceeds the budgetary allocation or contains any clause that is unacceptable to the department and the bidder is not willing to negotiate on them, then department will invite the bidder ranked (2) for opening of their offer. The project will be awarded to this bidder, if it satisfies the conditions applied for the financial evaluation of the first bidder or the process will be continued to the bidder ranked next.

5.6 Since the proposed work is having maximum budget ceiling of **Rs.500 Lakhs**, any financial proposal exceeding the limit shall not be considered.

5.7 The Lowest Financial bidder has no right to claim for allotment of project based on his financial bid alone.

NEGOTIATIONS & DISCUSSIONS

6.1 Prior to the expiration period of validity of proposal, the department shall notify the successful firm for negotiations & discussions to finalize the implementation details.

6.2 The aim of the discussions is to reach agreement on all points.

7. PERFORMANCE SECURITY

- 7.1 Before awarding the contract or issuance of Letter of Intent to award the work, the Agency has to **deposit 2.5% of the tendered amount as Security Deposit** in the form of Account Payee Demand Draft/ Bank Guarantee from a nationalized bank or commercial scheduled bank in an acceptable form in favour of the **Executive Officer, Sri Bramarambha Mallikarjuna Swamy varla Devasthanam, Srisailam**. The Bank Guarantee should remain valid for a period of one year beyond the date of completion & handing over of all works related to show. The Security Deposit will be released after successful performance of the contractual obligation.

8. AWARD OF CONTRACT

- 8.1 After completion of negotiations/ discussions with the agency and on furnishing of the performance security by the agency, the department shall award the Contract to the selected agency. However, after signing of the Contract, the department may return the unopened Financial Proposals to the unsuccessful bidders.
- 8.2 The firm is expected to commence the Assignment on the date and at the location specified in the document

9. CONFIDENTIALITY

- 9.1 Information relating to evaluation of proposals and recommendations concerning awards shall not be disclosed to the bidders who submitted the proposals or to other persons not officially concerned with the process, until the winning firm has been notified that it has been awarded the contract.

10. ADDENDUM TO THE TENDER DOCUMENT

- 10.1 An addendum to the tender document, IF ANY, will be issued at least one week before the date of submission / closing of tender. Bidders are requested to kindly refer notifications before submission of their bid document. Bidders are requested to be remain updated with the notification.

11. BID SUBMISSION DATE

- 11.1 Company /Individual/Proprietor fulfilling the defined criteria as defined in the tender document may submit on or before **6th February 2017 at 3.00 PM** in a sealed envelope, containing two separate envelopes, addressed to the **Commissioner, Endowments department, AP, Gollapudi, Vijayawada Rural** in the Tender Box placed at Reception. Tenders (Pre-Qualification Bids) shall be opened on the same day **at 3.30 PM** in the presence of the intending tenderers.

11.2. Payment of E.M.D.

Each tenderer must pay along with the submission of tender schedule a sum of **Rs. 5.00 lakhs** drawn in favour of the Commissioner, Endowments department, AP, Hyderabad on any branch of a Nationalised / Schedule Bank in the shape of crossed Demand Draft / unconditional and irrevocable Bank Guarantee.

2. The tenderers should however pay the balance E.M.D. at present rates at the time if signing the

agreement in the shape of crossed Demand Draft or unconditional and irrevocable Bank Guarantee valid upto 12 months from the date of commissioning and handing over of the project.

3. Further amount of @7.5% accordingly to clause 68 of the standard preliminary specifications of the A.P.P.S shall retained as security for the due fulfillment of this contract while paying bill for the work done.

Signing of Agreement: When the tender is under consideration the tenderer whose tender is under consideration shall attend the office on the date intimated to him in writing. He shall also upon an intimation given to him by the Commissioner, Endowments department, AP, Amaravathi / Executive Officer of the temple of acceptance of his tender make payment of balance E.M.D. and sign an agreement with the agreement authority i.e **Executive Officer of the temple** in the proper department form for the due fulfillment of this contract. Failure to attend the office by the date fixed in the written intimation by phone SMS and e-mail within 10 days to enter into the required agreement shall entail forfeiture of E.M.D.

The written agreement to be entered into between the contractor and the Executive Officer of the temple shall be the foundation of the rights of both the parties an contract shall not be deemed to be complete until the agreement has first been signed by the contractor and then by the Executive officer authorized to enter into the contract on behalf of the Department.

Return of E.M.D to unsuccessful tenderer

The earnest money deposit will be refunded to the unsuccessful tenderer by registered post at the expiry of the period of validity of tenderer or the entrustment of the work to the successful tenderer whichever is earlier.

Inspection of the site and quarries by the tenderer

Every tenderer is expected before filling his tenderer to inspect the site of the proposed work.

Part-2(cover-2) Superscribed with the name of the Work “Financial Bid”

As detailed in Annexure -5

SECTION – 5

EVALUATION / SELECTION CRITERIA:

The process and principle that will adapted to select the successful bidder is described in 5 (1) to 5 (6) in section 3 of this document.

The bidders are cautioned to note that they have to provide a proposal that meets the minimum technical standard, is rated as the highest , in terms of the creative content and must be within the specified budget provisions, and the selection of the successful bidder shall be as described in the above sections / sub-sections.

We summarize these here , and sec 5 (1) to 5 (6) will be the descriptive part of this summary.

1. All bidders should produce documentary proof of their pre-qualification , as per the tender and submit the same. Only those who submit all documents will be considered for evaluation.
2. Those who have pre-qualified will be asked to make a presentation on the proposed technology and artistic packages.

3. Only bidders who score **65% or more** on the technology packages will be considered for further evaluation.
4. The qualified bidders will be ranked according to their score on the artistic packages.
5. The financial offer of the bidder who has scored highest in the creative or artistic package will be opened and checked for compliance from the point of view of the allocated budget and other commercial terms.
6. The department will negotiate with the bidder with the highest score in creative or artistic package and award the contract to him, if he meets the commercial conditions that are acceptable to the department.
7. In case the bidder ranked highest does not comply with the process described in step (6) above, the next highest bidder will be considered and the process will be repeated thereafter.
8. The lowest financial bidder has no right to claim for the allotment of the project based on his financial bid alone.

SECTION - 6

Terms of Payment: No advance will be paid for any kind of work to be executed. Payment will be made on the progress basis on the percentage of total project cost as per the schedule below:

- a) 5% - After receipt of the script with dramatized version duly approved by concerned authorities.

- c) 25% - After the receipt of main Hardware / Equipment.
- d) 15% - After translating the script into other language and recording / mixing of music thereof.
- e) 35% - After the installation, trial run/soft commissioning and handing over.
- f) 10% - After the successful running for one year & after submission of performance bank guarantee of equal amount valid till defect liability period of one year for equipment from the date of commissioning and handing over.

All payments shall be made on receipt of valid bills alongwith all supporting documents. The payments shall be made in INR only .

For delay in delivery of goods/services as per the requirements, the endowments department reserves the right to impose a penalty / penalties on the agency as stipulated in tender.

SECTION – 7

ADDITIONAL INFORMATION

1. Budget as indicated is final having upper ceiling. The prospective bidder has to install the show within the budgeted cost indicated. In case the financial proposal exceeds the limit of **Rs.500 Lakhs** (for the S & L show) the same would be not considered.
2. The selected agency should be open to minor modifications in the design, if required.
3. The project cost should include all duties, taxes, levies, WCT except VAT and Service Tax etc. Service Tax will be reimbursed after production of receipt/challans as per actuals.
4. Any reduction in the quantities of the Hardware equipment in the final project conceived found to be less than the minimum quantity mentioned/ agreed in the tender will attract deduction of actual amount for the quantities found lesser based on the bill of entry or Proforma Invoice.
5. The bidder should ensure the equipments should be of latest technology and comparable with international standard with reputed brand.
6. The bidder will visit the site of the project at his own cost and the preliminary expenses of research, concept and simulation for the presentation etc will be borne by him. However, the department will assist and co-ordinate the entry and permission to the site.
7. Any equipment/material damaged before the handing over, the replacement and risk etc to be borne by the bidder.
8. **All risk policy, including terrorism risk, agency's insurance policy, for the contract amount to be taken by the agency, up to defect liability period for the hardware works, civil, electrical works, etc. (all engineering associated works) and Third party and workman compensation policy of workers working at site.**
9. All equipment supplied and installed and workmanship of the work done shall be guaranteed for 12 months for the equipment from the date of completion and handing over of the work. The defect liability period is for 12 months for equipment, reckoned from the date of commissioning and handing over to client. The defects if any noticed during the period shall be immediately rectified failing which the firm shall be liable for action taken by the department/client.
10. All software, proprietary of script and design shall exclusively be right of the department & shall not be utilized at all anywhere else. **The source code has to be provided.**
11. **Statutory variation if any during the currency of the contract shall be paid extra/recovered on production of documentary evidence.**
12. The successful bidder will notify the Nodal Officer who is well versed with aesthetic & technicality of the project for proper coordination with the department/Client.

13. **Liquidated damages for delay** - 1% of the contract amount subject to maximum of Rs.10,000/- per week or part thereof. The total liquidated damages of delay should be subject to an overall maximum of 10% of the contract amount. In case, the agency is not able to perform as per the satisfaction of the department or in case of in-ordinary delay, the department reserves the right to terminate the Contract and the firm will be liable to compensate for the loss.
14. The temple authorities / client will provide storage space to the agency for storage of equipment etc. However, safety and security of the space and equipment shall be the responsibility of the agency.
15. Water & Electricity required for execution of project will be arranged by agency. However, the department will assist in procuring the connections for the project.
16. The agency shall be solely responsible for complying with all provisions of EPF & Misc. Provisions Act 1952 and ESI Act, relating to manpower engaged for this contract and in the event of any liability on the department by virtue of its being principal employer due to failure of the agency to comply with the said Act, the Agency shall indemnify and reimburse the amount payable by the department on this account.
17. If at any time during the execution/operation of work, the agency is unable to proceed with the work and is not responsive to the requests and notices of the department to continue work, the department reserves the right to get the work completed at the risk and cost of the agency. The Agency shall, in addition, indemnify the department for the loss suffered by the department as a result of his failure to proceed with the work.
18. It may be ensured that only top class vendors for any/all activities or items to be outsourced are engaged by the bidder. Each and every item and service provided /rendered is to be of excellent quality and conform to International standards/ specifications/ practices of quality failing which they are liable for rejection at no costs thereon. All items and services are also to conform to International safety standards / standards as laid down by local Authorities.
19. The Guidelines of the local land form an integral part of the tender document and

- need to be complied with in all respects.
20. It is the responsibility of the bidder to have the approvals, layout design plans, scale drawings, electrical plans, permission **and approval from Local authorities of any kind required to implement the show etc.** The department will provide necessary documentation as required for the above. Liaisoning, follow up would be responsibility of the successful bidder.
 21. The offer submitted should be complete in all respects. It is mandatory to bid for the entire scope of work in this document. Incomplete/conditional offers shall not be considered for evaluation and are liable for outright rejection. Offers not fulfilling any of the conditions are liable for rejection.
 22. **The department reserves the right to scrap the tender without assigning any reason whatsoever. The department reserves the right to reject any bid without assigning any reason whatsoever.**
 23. The decision of the department shall be final. The bidder shall be bound by the terms and conditions of this document and shall not raise any objection on the same once the tender is executed.
 24. Submission of a bid is an acceptance on the part of the bidder to conform to the rules and regulations of (all) Statutory Agencies /Authorities and the Law of the Land in all respects. The bidder must be careful to read and understand the terms and conditions of the tender document
 25. Safe material shall be used with adequate and requisite provisions for covering exigencies etc. No compromise on safety standards shall be accepted. The area shall be sturdy and safe in all respects to avoid any mishap. It is the responsibility of the bidder that all factors have been properly investigated and considered while submitting the bid.
 26. All the material provided shall be of a quality befitting the status of the show. If it is found that sub-standard material is used, payment for the same will not be released. The selected agency shall have to complete the entire job by the time schedule indicated in this document.
 27. The agency will ensure the presence of their liaison teams, technical teams, etc. at site during execution of works at site.
 28. **Validity of Tender:** Tender shall remain valid for acceptance for a period of **90 days**(Ninety days) from the date of opening of Technical bid.
 29. **Termination by default :** The department reserves the right to terminate the

contract of any agency in case of change in the Government procedures or unsatisfactory services of the bidder by giving 15 days notice time.

30. **Risk – Purchase Clause** : If the agency, after submission of tender and the acceptance of the same, fails to abide by the Terms and Conditions of the tender document or fails to complete the work within the specified time or at any time repudiates the contract, the department will have the right to:

- (a) Forfeit the EMD
- (b) Forfeit the Performance Security.
- (c) Impose liquidity damage for the delay in completion of the work.
- (d) In case of completion of balance / entire work through alternative sources at a price higher than the original contract amount, the agency will pay the balance amount to the department.
- (e) For all purposes, the work order accepted by the bidder and issued by the department will be considered as the formal contract.

31. **Arbitration** : Except where otherwise provided for in the contract all questions and disputes relating to the meaning of the specifications, designs, drawings and instructions herein before mentioned and as to the quality of workmanship or materials used on the work or as to any other question, claim, right, matter or thing whatsoever in any way arising out or relating to the Contract, designs, specifications, estimates, instructions, order or these conditions or otherwise concerning the works, or execution or failure to execute the same whether arising during the progress of the work or after the completion or abandonment thereof shall be referred to the sole arbitration of the Commissioner, Endowments department, AP, Amaravathi or any other person appointed by him, the same shall be resolved through arbitration under the Arbitration & Reconciliation Act,1996 as amended till date.

The award of the Arbitrator shall be final, conclusive and binding on all parties to this contract.

32. **Jurisdiction** : The contract shall be governed by the Laws of Andhra Pradesh and jurisdiction of courts for legal issue will be **Hyderabad**.

33. **Force Majeure** : Neither party will be liable in respect of failure to fulfill its obligations, if the said failure is entirely due to Acts of God, Governmental restrictions or instructions, natural calamities or catastrophe, epidemics or disturbances in the country. The party affected by an event of Force Majeure will immediately notify the other party of such an event and will also notify the

unaffected party on cessation of disability resulting from such Force Majeure act.

34. **The Endowments department, AP,** will return the earnest money Deposit, where applicable, to every unsuccessful tenderer after finalization of the tender and award of work.

35. This notice of tender shall form part of the Contract documents.

36. The use of Whitener/eraser in this tender is prohibited. If any correction becomes of necessary, the same should be done securing off originally written rates & figures etc. and then rewriting should be done under initials of person filling the tender.

37. Two persons nominated by the temple authorities / Client should be trained to operate the show.

38. **Ownership:** The Script written and its recording shall have the sole ownership of Department and its Client and will not be utilized by the agency in any form.

39. All the terms and conditions provided in the RFP document shall form the part of the agreement

39. **Agreement:** On award of work, the agency will enter into an agreement as per the format **annexure VII** and all communications including this tender will be part of the agreement documents.

The application complete in all respects as above should be put up in Tender Box placed at the Office of the Commissioner, Endowments department, AP, Gollapudi, Vijayawada Rural OR the application may be sent by post to Commissioner, Endowments department, AP, Gollapudi, Vijayawada Rural.

Endowments department, AP, Amaravathi

15. Signing of Agreement: When the tender is under consideration the tenderer whose tender is under consideration shall attend the office on the date intimated to him in writing. He shall also upon an intimation given to him by the Executive Officer of the temple of acceptance of his tender make payment of balance E.M.D. and sign an agreement in the proper department form for the due fulfillment of this contract. Failure to attend the Executive Officer office by the date fixed in the written intimation by phone SMS and e-mail within 10 days to enter into the required agreement shall entail forfeiture of E.M.D.

The written agreement to be entered into between the contractor and the Executive Officer shall be the foundation of the rights of both the parties and contract shall not be deemed to be complete until the agreement has first been signed by the contractor and then by the Executive officer of the temple authorized to enter into the contract on behalf of the Department.

16. Return of E.M.D to unsuccessful tenderer

The earnest money deposit will be refunded to the unsuccessful tenderer by registered post at the expiry of the period of validity of tenderer or the entrustment of the work to the successful tenderer whichever is earlier.

17. Inspection of the site and quarries by the tenderer

Every tenderer is expected before filling his tenderer to inspect the site of the proposed work. The best class of materials are to be obtained from the quarries of his choice confirming to specifications mentioned in the tender schedules in every case the material must comply with the relevant standard laboratory tests. Samples of material called for in standard specifications or as required by the Superintending Engineer (HO) in any case shall

be submitted to the Superintending Engineer (HO) for approval before supply to site of work begins.

18. Conditional tender

Tender not submitted in proper form or in due time will be rejected. Alternations which are made by the tenderer in the tender schedule the conditions of the contract the drawings, specifications accompanying the same will not be entertained and if any such alternations are made the tenders will be rejected.

19. Special Conditions: The Contractor shall be responsible for the security of works for the duration of the contract and shall provide and maintain continuously adequate security personnel to fulfill these obligations. The requirements of security measures shall include but not limited to maintenance of order on the site, provision of all lighting, fencing, guard, flagmen, and all other measures necessary for the protection of the works within the colonies, camps and elsewhere on the site, all materials delivered to the site, all persons employed in connection with the works continuously throughout working and non-working period including nights, Sundays and holidays for duration of the contract.

Other contractors working on the site concurrently with the contractor will provide security for their own plant and materials. However, their security provisions shall in no way relieve the contractor of his responsibilities in this project.

Separate payment for provision of security services will not be made and its cost shall be deemed to have been included in the offer of the tenderer.

20. Insurance: 1. The contractor shall provided in the name of the temple authorities an insurance cover from the start date and upto the end of the defects liability period i.e.12 months for the works in the amounts and deductions stated in the contract data for the following events which are due to the contractors risks.

(i) Loss of damage to the works, plant materials

(ii) Loss or damage to the equipment

(iii) Loss of or damage of property (except the works plant, materials and equipment in connection with the contractor) and

(iv) Personal injury or death to any one authorized to be on the site or third parties who are not on the site.

(v) Loss to other people's property caused by the contractors act or omissions.

2. Policies and certificates for insurance shall be delivered by the contractor to the Executive Officer for the approval before the star date. All such insurance shall provide for compensation to be payable in the types and proportions of currencies required to rectify the loss or damage incurred.

3. If the contractor does not provide any of the policies and certificates required, the Executive officer may effect the insurance which the contractor should have provide and recover the premiums the Executive officer has paid from payment otherwise due to the contractor or, if no payments is due, the payment of the premiums shall be a debt. due

4. Alternations to the terms of an insurance policy shall not made without the approval of the Executive officer).

5. Both parties shall comply with all conditions of the insurance policies.

21. Power Supply: 1. The contractor shall make his own arrangements for installations of power from the Electricity board at his own cost. The contractor will pay the bills of the Electricity Board for the const, of power consumed by him.

2. The contractor shall satisfy all the conditions of rules required as per Indian Electricity Act 1910 and under rule-45 (i) of the Indian Electricity rules, 1956 as amended from time to time and other pertinent rules.

3. The power shall be used for bonofide departmental works only.

4. The contractor shall at all times during the currency, comply fully with all existing acts, regulations and bylaws including all statutory amendments and reenactments of state or central govt. and other local authorities and any other enactments, notification and acts that may be passed in future either by the state or the central government or local authority including Indian workmen's compensation Act 1923. Contract labour (Regulation and Abolition) Act 1970. The child labour prohibition and regulations Act 1986 and Equal remuneration Act. 1976. Factories Act., minimum wages Act, 19748, provident fund regulations. Employees provident fund act, 1952, schemes made under the same Act. 3.

NOW IT IS HEREBY AGREED AS FOLLOWS;

After the receipt of approved show script form the First Party, Second Party will start the work of recording sound track, mixing and forward the CD/cassette for approval as per time schedule stipulated in tender and prepare the sound track as required. The Scope of Work also include Hardware equipment, system integration associated civil & electrical work as defined in the tender.

The acceptance of the Second Party work will be subject to the final approval of the First Party, and if in their opinion it is necessary to make certain changes in any part of the show the Second Party will carry out the changes free of charge and decision of the First Party will be final in this regard. All actions will be completed as per the schedule and approvals by the First Party. The First Party will have the right to inspect the works while the same are in progress. The Second Party will not deviate from the script approved by the First Party without obtaining prior written permission.

The copyright of the production will rest with the First Party and will be transferred to the agency that will take over the show after completion. The Second Party shall not use the script or any input, technical or otherwise related to this project with any other client or similar projects which have been undertaken by him or which he might undertake.

The Second Party will complete all the works in their scope of work within **6 months including the hardware installation and system integration for both the languages**. In case of failure to complete the works the Penalty Clause as stipulated will be effective. In case of inordinate delay in completing the work, the First Party will have the right to withdraw the work from the Second party and get the same executed from any other agency at risk and cost of the Second Party.

The First Party shall pay the Second Party the said amount of Rs. _____(Rupees_____) or such amounts that shall become payable at the time and in the manner hereinafter specified in the tender. All such payments shall be subject to tax deduction at source – as required by the state, against which the First Party shall furnish necessary certified copy to the Second Party.

The Second Party will supply two sets of script in each of the two languages. This contract shall be subject to Force Majeure.

PERFORMANCE SECURITY

The performance Security submitted during the award of contract i.e. 2.5 % of the tendered amount as **Security Deposit** in the form of Account Payee Demand Draft/ Bank Guarantee from a Nationalised / Scheduled bank in an acceptable form, the Bank Guarantee should remain valid for a period of one year beyond from the date of completion & handing over of all works related to show. The Security Deposit will be released after successful performance of the contractual obligation.

Liquidated damages for delay - 1% of the contract amount subject to maximum of Rs.10,000/- per week or part thereof. The total liquidated damages of delay should be subject to an overall maximum of 10% of the contract amount. In case, the agency is not able to perform as per the satisfaction of the Endowments department or in case of in-ordinary delay, the Endowments department reserves the right to terminate the Contract and the firm will be liable to compensate for the loss.

In pursuant to an order/direction of Government of Andhra Pradesh or any statutory authority, the First Party is constrained to foreclose this agreement before the period of completion, the agreement shall be treated as close with effect from the date of the

foreclosure notice. However, the Second Party shall be paid proportionately to the extent of the work completed by him till the date of the issue of the said foreclosure notice.

The contract can be terminated any time by either party upon giving three months notice to the other party and in the event of such termination, the Second Party shall be liable to refund the excess amount paid/payment, if any made to him over and above what is due to him on the date of termination and the First Party will be entitled to make full use of all or any of the material prepared.

In such an event, the First Party shall also be liable to pay the Second Party any such amount as may be pending in respect of the works completed by him up to that period in terms of this contract.

If at any time during the progress of the works or after the completion thereof any time during the continuances of this agreement any dispute or differences arise between the parties hereof in relation to or in connection with this agreement, the same shall be referred to the arbitration by the Commissioner, Endowments department of the First Party of his nominee as sole arbitrator and his decision shall be final and binding on the parties.

The said arbitration shall be governed by the arbitration and Conciliation Act 1996 as amended or enacted from time to time. The arbitration proceeding shall be conducted in the English language and the venue of the said arbitration shall be held in Hyderabad, Andhra Pradesh.

In witness whereof the parties mentioned above have signed on the date, month and year stated above.
